Dear Councillors

Cleobury Mortimer

I am so pleased to see that the works on the resurfacing of the Tenbury road is underway at long last.
I have had a meeting with Andy Keyland and I asked him if the potholes in Eagle Lane, and Childe road could be fixed as well.

Regarding the speed-watch, training has now been offered, and I am hopeful for this to be taken up by the volunteers.

I have been invited to Cleobury Mortimer primary school to meet with the children during Parliament week. They have asked if I can give a talk on the role of a County Councillor. I have been a school secretary, also a librarian carrying out activities with children which I thoroughly enjoyed, so I am really looking forward to being in school again. If there is a councillor who would like to join me, I would be very grateful.

I have chased up regarding the Hopton Wafers bridge repairs which were to commence in September. Unfortunately I have been notified that it will now be 5th April and the road will have to be closed for at least 6 weeks.

Coreley

I have chased up with Andy Keyland again about the issues still awaiting to be completed, such as the cats-eyes, the speed signs, the potholes, road markings, and the gritting route for this coming winter.

I have tried different organisations such as the Freemasons and the Woodward Trust to see if I can get a donation towards the Coreley football club, but unfortunately, it does not fit their criteria. It was suggested that the Lottery for all be approached.

At the last parish meeting I was asked to write to Mr Iqbal who owns the Manor House in Cleobury Mortimer, what his intentions for the Manor House are. Residents are becoming increasingly concerned about the property being made available for asylum seekers. This I have done but I have not had a reply yet.

Milson and Neen Sollars

I am very glad that the training for the Road Warden scheme has been completed. We are just waiting for more information from Juan Hernandez as to the next stage. I have reported to Fixmystreet and Andy Keyland that the contractors are very often leaving their road signs behind in the grass verges which could potentially wreck a mower. I have also reported on Fixmystreet.

Boraston

I was very happy to hear from Andy Keyland that the painted road signs have been completed. I believe they were working in the area and took the opportunity to carry out the work overnight. I have also mentioned the bridge again.

Thank you for the invitation to your parish meeting, David and I will be pleased to join you all being well.

Shropshire Council

I would like to thank all the parish and town councillors and clerks who attended the Market Hall to meet Tanya Miles the Chief Executive of Shropshire Council. It did take a lot of arranging, but I feel it was a very successful meeting, and it was suggested that we should hold such meetings again. I am happy to arrange this.

Please see report attached for your information.

Kindest regards
Pamela
