Cleobury Mortimer Town Council

NEWSLETTER – NOVEMBER 2026

What have we been doing?

Cemetery Clean-Up Event

A huge thank you to our volunteers who came along on Saturday 10th October to our Cemetery Clean-Up Day. The volunteers' time, hard work and community spirit is very much appreciated. Many overgrown graves were cleared and it was wonderful to see the difference.

High Street

The lime trees on Church Street and High Street have now been trimmed. This is a Shropshire Council asset which we have, for many years now supported and paid for with thanks to Cleobury Gardeners for their donation towards the cost and also for keeping the bases of the trees tidy. Trimming the trees in late October helps reduce the mess from fallen leaves on the pavements and improves safety but also provides easier access for the Christmas lights to be installed in readiness for the Christmas season.
