

OFFICE REPORT FOR JUNE 2024 MEETING

Highways and Footpaths

- We have supplied the Land Registry details for land ownership adjacent to the A4117 where the proposed pavement is to be installed.
- We received an update from the interim Estate Manager at Mawley Hall regarding the works at Lower Forge. The bridge is not to be removed to facilitate the work to repair the weir and ford. However, the repair works are a huge undertaking and will take some time. 'Mawley' have met with Richard Knight (Shropshire Council's Access Team) who is fully aware of the situation. We have requested a meeting with the new Estate Manager when he is in post. We have updated CMFA of this.

Community Engagement

- D-DAY – There will be bell-ringing at St Mary's from 6.30pm. The British Legion will arrange a guard of honour and lighting of the beacon at 9.15pm on the Playing Field. Ashley will do a reading. The Sports and Social Club will be open from 8pm. We have received the commemorative Flag of Peace which will be raised.
- The next Community meeting with St Mary's and the Legion reps will be on Thursday 27th June, 10.30am at the Market Hall if anyone would like to join us.
- Festival plans are coming along well. Please let us know if you can help deliver flyers and also help on the day so that we can draw up rotas.
- Post Office – still no response from Post Office Limited. There have been some conversations with larger stores in Cleobury asking them to consider becoming a hub to receive parcels or even consider having a Post Office counter.

Playing Field

We arranged a skip on 28th May and have cleared out a lot of rubbish lying around the Playing Field container area as well as old signs and broken equipment from other locations. We are still chasing the Cricket Club to tidy up their Shed area and remove the old mower, roller and guttering.
